Washington DC: von ammon co is pleased to announce its eighteenth project at its Cady's Alley location: *FOCUS GROUP 3*, the third installment of the gallery's internally organized group shows. Each installment of *FOCUS GROUP* serves as a review of the gallery's work to date, a preview of its upcoming programming, and a visual digest representing its overall thesis. Every artist on view is either preparing for and/or has already done a major project in the gallery's current location in the nation's capital.

von ammon co was founded in 2019 and is the preeminent commercial venue for contemporary art in Washington DC. The gallery's hours are 12pm until 6pm, Friday through Sunday. The gallery is open to the public, free of charge and fully ADA accessible. To plan your visit, please email info@vonammon.co or call +1 202 893 9797. For additional information and/or image requests, please email anna@vonammon.co
